

Host An Event

Thank you for your interest in hosting a Young Pros event! Our mission is to provide networking opportunities for young professionals while spotlighting local businesses and organizations in Corvallis and the surrounding communities. Hosting an event is a perfect opportunity to highlight your business and connect with a diverse and business minded group of professionals. Welcome Young Pros to your venue!

To ensure that your Young Pros event is a success, here are some helpful guidelines:

Event Host Provides

- Venue and parking to accommodate 30-50 guests
- The scheduled time for our monthly events is typically the fourth Tuesday of the month from 5-7pm, if this doesn't work for you, let us know.
- Complimentary catered or catered quality appetizers as well as your choice of hosted or no-host bar with complimentary soda and water. If you are not a food and beverage venue, consider partnering with another business to provide appetizers and drinks such as a local caterer, winery or brewery.
- At least two donated items for the event raffle
- Your business logo and any promotional materials to Young Pros. Have your event details available at least 4 weeks in advance. This will give us plenty of time to publicize your event.
- Business representative, 3 tables for check-in, informational materials, appetizers, beverages, raffle items and a garbage can.
- We encourage you to be creative when planning your YP event. Previous hosts have incorporated various activities such as wine tasting, facility tours, scavenger hunts, mini-massages, networking games, etc.

Corvallis Young Pros Provides

- An opportunity to gain exposure and publicity for your business.
- Your event and business name promoted on the CYP website, Facebook pages and in monthly email blasts.
- A Young Pros event coordinator to greet guests and emcee the event. Our YP coordinator will arrive 30 min prior to your event to set up and touch base with your business representative.
- Event name tags, pens, sandwich board
- An opportunity for your business representative to address event attendees. Between 5:45 and 6:00pm, we will introduce you as the event host. You are encouraged to talk about

- your business and highlight any new services or products you offer(2-3 min.).
- Posted event photos on Young Pros Facebook page after the event
